

**PLEASANT VALLEY PRESBYTERIAN
CHURCH (PCA)**

**Capital Campaign
Fundraiser**

We are grateful to all who have helped Pleasant Valley PCA acquire our building. But we still have a loan to repay, as well as many other costs associated with the building. Session is exploring fundraising options, of course, but it would also like to come to you with this need. Therefore, Session has decided to conduct a Capital Campaign in order to help raise the needed money.

Mr. Keith Lambaunas (email: LambaunasK@Tiffin.edu phone: 440-623-8700) has volunteered to be the leader of this effort. Session encourages all members and friends to consider contributing to the Capital Campaign separate and beyond their usual contribution to the church. Also please bring to Keith's attention anyone or any organization that might be able to contribute to the Capital Campaign. This would include any former members, friends, organizations, or others who might be interested in helping Pleasant Valley PCA.

A date will soon be announced for the opportunity for you to donate during the Thanksgiving Season to this fund but please feel free to give at anytime.
